

Dated 27.12.2018

CORRIGENDUM/ADDENDUM

With reference to tender number AIIMS/Pat/Tender/PC/PPP/Dialysis/2018 dated 29.11. 2018 for Establishment of Dialysis centre at AIIMS Patna a pre bid meeting was held on 06/12/2018 at Medical College Building, administrative block, AIIMS Patna.

After discussion regarding above - mentioned request from potential bidder following amendments are made in specification "Notice Inviting Tender for Supply and installation of Establishment of Dialysis centre at AIIMS Patna"

Page No	Specification as per original tender	Revised specifications Should be read as
Page 3 Clause 5	In all cases, the diagnostic tests (Urea, Creatinine, Potassium, complete bio-chemistry & hematology profile) before and after the dialysis should be done through the laboratory of AIIMS Patna or any laboratory authorised by AIIMS Patna. Incorrect laboratory tests may lead to wrong referral for dialysis hence due precautions would be taken to refer a patient for dialysis and laboratory reports before and after the dialysis cycle should be recorded. The Dialysis unit/facility must have a minimum of 4 Dialysis machines plus one dedicated machine for infective cases (Hepatitis B, Hepatitis C, HIV etc.). However, the service provider would have to increase the no. of machines, in the facility in the future, subject to load availability and decisions by AIIMS Patna.	" In all cases, the diagnostic tests (Urea, Creatinine, Potassium, complete bio-chemistry & hematology profile) before and after the dialysis should be done through the laboratory of AIIMS Patna or any laboratory authorised by AIIMS Patna. Incorrect laboratory tests may lead to wrong referral for dialysis hence due precautions would be taken to refer a patient for dialysis and laboratory reports before and after the dialysis cycle should be recorded."
Page 3 Clause 7	The service provider should be able to move the dialysis machine to other clinical areas like ICU within the AIIMS premises as when needed. Electricity & water supply will be the responsibility of AIIMS Patna.	"The service provider should be able to move the dialysis machine to other clinical areas like ICU within the AIIMS premises as when needed. Electricity & water supply will be the responsibility of AIIMS Patna and no additional charges shall be applied on the service provider for the same. RO plant shall be the responsibility of the service provider.
Page 3 Clause 12	Service provider will be responsible for Capacity building of doctors and staff of the hospital for providing dialysis service.	"Service provider will be responsible for Capacity building of doctors and staff of the hospital for providing dialysis service. Any medical cover (e.g. DMO/Nephrologist) will be provided by AIIMS, Patna."

Page 5 Clause 42	There will be separate rates for First hemodialysis session for seronegative patients (DGHS S.No. 838) Subsequent hemodialysis sessions with the same dialyser on seronegative patients. (70% of the rate for 'a') Hemodialysis session for seropositive patients (DGHS S.No. 839) SLED (DGHS S.No. 836) CRRT (DGHS S.No. 837)	"There will be separate rates for First hemodialysis session (i.e. with a new dialyser) Subsequent hemodialysis sessions with the same dialyser SLED CRRT "
Page 5 Clause 43	The prospective bidders should quote the price at which they can offer the service in terms of percentage of the DGHS rates.	"The prospective bidders should quote separate rates for the items mentioned above in clause no. 42. For the specific purpose of calculating L1, it will be assumed that out of every 100 dialysis sessions, there will be 15 first hemodialysis session with a new dialyser, 65 subsequent hemodialysis sessions with the same dialyser, 10 SLEDs and 10 CRRTs. Please note that the actual proportion of the different type of dialysis sessions may be different from the above."
Page 6 Clause 1	This invitation is open to all organizations (Proprietorship Firms, Partnership Firms, Limited Liability Partnership Firms, Companies registered under Companies Act, 1956/2013 or Societies Act, Trusts, Societies registered under respective Act & Jurisdiction in India) who fulfill the eligibility & qualification criteria specified hereunder. (The bidder can't be an individual or group of individuals & Consortium is not allowed)	"This invitation is open to all organizations (Proprietorship Firms, Partnership Firms, Limited Liability Partnership Firms, Companies registered under Companies Act, 1956/2013 or Societies Act, Trusts, Societies registered under respective Act & Jurisdiction in India) who fulfill the eligibility & qualification criteria specified hereunder."
Page 9 Clause 5.1	The Project will be awarded for a period of 5 years from the date of agreement and may be extended further on the terms & conditions mutually agreed by the service provider and AIIMS PATNA.	" The project will be awarded for a period of 5 years from the date of agreement with the provision for automatic renewal for anothe 3 years if there is no breach of contract by the service provider."
Page 9-10 Clause 7.2	The service provider will raise its invoices o completion of services during the- month and the invoices must be submitted to AIIMS, Patna 7th of the next month duly accompanied by evidences of services provided. The payment will be subject to TDS as per Income Tax Rules and other statutory deductions as per applicable laws.	" The service provider will raise its invoices on completion of services during the- month and the invoices must be submitted to AIIMS, Patna 7th of the next month duly accompanied by evidence of the services provided. The payment will be subject to TDS as per Income Tax Rules and other statutory deductions as per applicable laws."
Page 16 Clause B (1)	Hollow Fibre Polysulfone Dialyser (Artificial Kidney) — These should be reused as per recommended guidelines. On an average a dialyzer should be used between 6-10 times, before it is discarded (If FBV <80%)	" Hollow Fibre Polysulfone Dialyser (Artificial Kidney) — These should be reused as per recommended guidelines. The dialyzer may be reused only till the FBV<80% but never more than 10 times altogether."
Page 16 Appendix B	This statement should be added below the table B	"All other consumables including drugs will be provided by AIIMS Patna".
Page 19 Appendix C	Dialyzer may be used for NOT more than 10 times or till the bundle volume is >70% of original capacity and in such cases reused only for the same patient after due	" The dialyzer may be reused only till the FBV<80% but never more than 10 times altogether. It can be reused only for the same patient after due sterilization using dialyzer reprocessing

	sterilization using dialyzer reprocessing unit. Dialyzer should not be reused for sero positive cases on isolated machine.	unit. The dialyzer should not be reused for sero-positive cases on isolated machine."
Page 27 Serial No. 6	Reuse of Dialyzer (Max 5 times or till 75% of fibre volume)	" Reuse of Dialyzer (Till FBV<80% and not more than 10 times altogether)"
Page 30 Appendix E Secion B:Penalty Clauses Clause 4	Failure to commission and start the 24X7 Dialysis facility across all the facilities (14 DHs) within 90 days of the signing of the contract	" Failure to commission and start the 24X7 Dialysis facility within 90 days of the signing of the contract".
Page 32 Annexure 1 under Technical Bid Format clause 20	The bidder must have supplied and installed wifi devices in Govt. institutions/PSU's/Autonomous Body. Necessary supporting documents like work orders, work completion certificate etc. for last three years to this effect must be submitted along with the offer.	"The Bidder must have installed dialysis services in Govt. institutions/PSUs/Autonomous body. Necessary documents like work orders, work completion certificate etc. for last three years to this effect must be submitted along with the order"
