Product Name: EnCor Enspire® Breast Biopsy System
Product Description: Vacuum Assisted Breast Biopsy System

These products may be available in various sizes which are covered under this authorization.

Salient Features:

- ❖ EnCor Enspire® Breast Biopsy System’s intelligent design provides **real-time, on-screen** feedback of needle orientation and activity so you always know where you’ve been and where you’re going. No manual tracking required.
- ❖ A quick touch switches to **half-sample mode**, enabling you to handle thin breasts or lesions close to the skin without changing probes or adding sleeves.
- ❖ A quick touch switches to **dense tissue mode** to sample dense breasts and lesions effectively.
- ❖ **Automated sampling** allows you to **pre-select your pattern**, giving you time to reassure while the needle indexes and samples per your specifications.
- ❖ Sharp Tri Conclave™ tip provides control and facilitates targeting
- ❖ Three probes size 7 Gauge, 10 Gauge, and 12 Gauge.
- ❖ Headlight for visualizing insertion sight.
- ❖ Intuitive touch Screen for fast procedures.
- ❖ EnCor Enspire® provides versatile performance in Multiple Modalities – Ultrasound, Stereotactic, and MRI.
