- g) The Institute would not provide any accommodation to the Interns.
- h) Certificate of completion is issued only if performance during internship is found satisfactory.

RULES AND REGULATIONS

All the Intern candidates should strictly adhere to the rules of the Institute. Intern should strictly follow the guidelines/instructions provided in the Log Book, which will be received by them at the time of joining. The Log Book has to be maintained by the individual Intern from the date of his/her joining and to be handed over to the Academic Division at the end of the Training. The Log Book to be cross-signed by the concerned HOD/In-charge.

The Certificate will be issued only on the basis of the completed Log Book having specific recommendation of the concerned HOD/In-charge that he/she has undergone Training for the specific period and the activities recorded by him/her are true. The certificate will not be issued if the column "Activities" is blank. The Academic Division will keep the Log Book as the record of each intern.

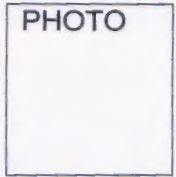

All Interns should work under the direct supervision of the In-charge of the concerned Departments/Divisions/Units. All the supervising Physiotherapist should ensure that the Interns are not accessed to the files of patients, official documents; official files to avoid leakage of confidential information Photography by the Interns in the premises of the Institute will not be permitted under any circumstances. If any such activities were found, the concerned supervisors will be responsible for that lapse. Prior permission from the authorities should be obtained to get official records for research purpose.

- a) A committee will scrutinize each application and recommend to the Dean.
- b) The Dean after scrutiny should forward the eligible application with his recommendations to the Director for final approval.
- c) The Director's office will send the approved request to the Dean for execution.
- d) Dean will communicate the concerned authority about the nature of approval.

The entry will be based on Interview of candidates applied for the Internship. In the case of greater number of application there will be a written test to shortlist the student for Internship.
