We are pleased to invite you to participate in the 62<sup>nd</sup> conference of Association of Physiologists and pharmacologists of India (APPICON 2016) to be held in AIIMS PATNA, INDIA on 21-24<sup>th</sup> October 2016. Pleased to announce that Physiologists and pharmacologists are meeting on the land of Buddha and Mahavir after 50 yrs. It was in 1966 that previous conference at Patna was organized by Dr. G Achari.

This conference will be an excellent occasion to discover the beauty and culture of State of Bihar. The conference aims to discuss the new research and various scientific advances achieved in Physiology and Pharmacology. The theme of the conference is **“Physiological and Pharmacological aspects- Tracking to molecules”**

Scientific programme will include plenary lectures, CME and symposia, an opportunity for all delegates to keep themselves abreast with the latest happenings in the field of Physiology and pharmacology. We feel privileged to inform that several scientists of National and International fame and repute are likely to participate in this academic feast. In addition to these there will be pre-conference workshops to provide hands on training opportunity. The permanent feature of conference award presentation, free paper presentation (poster and oral) along with informal scientific discussion among the delegate will be an opportunity to share the scientific work.

We believe APPICON 2016 Conference will be a memorable and meaningful event, bringing together Physiologists and Pharmacologists from all over the world and contributing to a better understanding of changes and challenges faced by the modern world and our discipline, as well as the global responsibility we all share. We look forward to welcoming you to Patna in October 2016!

Patna once called Pataliputra, the capital of Bihar is among the world’s oldest capital cities with unbroken history of many centuries as imperial metropolis. Patna had been the regal seat of governance for successive kingdoms since ancient times. And to this day, it is the capital city of the state. Patna is well connected to all parts of country by Road, Rail and Air. We are eager to welcome you all at Patna. Please share this with your colleagues and participate in large numbers.
