

Curriculum vitae

Name: Dr Lokesh Kumar Tiwari

Age/Sex: 40/ M

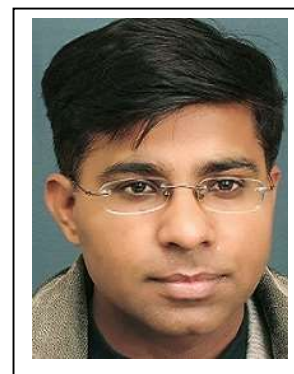

Date of birth: 24/07/1976

Date of Joining: 29/04/2013

Designation: Assistant Professor of Pediatrics

Department: Pediatrics

Educational qualification:

Degree	University	Year of acquiring the degree
MBBS	SMS Medical College Jaipur	2001
DNB (Pediatrics)	St Stephens Hospital Delhi	2006
Fellowship Ped Crit Care	PGIMER Chandigarh	2008
Dip Hospital Management	National Institute of Health and Family Welfare, New Delhi	2014

Awards/Fellowship (Best 3):

Name of the award/Fellowship	Awarding body	Year
FRCPCH (Visiting) UK	Royal College of Pediatrics and Child Health (RCPCH) UK	2016
Bursary on program planning, Implementing and evaluation during Excellence in Pediatrics Conference 2013 Doha Qatar	Institute of Excellence in Pediatrics Switzerland	2013
Paediatric Critical Care Fellowship	Addenbrookes Hospital, Cambridge University Hospital UK	2011

Research: (At AIIMS Patna)

Completed:

1. An Observational Study to Examine Pattern and Quality of Prescriptions in an Evolving Pediatric OPD in India.
2. Incidence of hyponatremia in children hospitalised in Pediatric ward at AIIMS Patna.
3. Demographic and Clinical Profile of Patients in Newly Established Neurodevelopment Clinic at AIIMS Patna

Ongoing:

Departmental Projects:

1. Medication errors in pediatric practice in a tertiary care institute of Bihar: A pilot study.
2. Incidence of sepsis in children admitted on Pediatric ward and PICU at AIIMS Patna
3. Ultrasonographic measurement of optic nerve sheath diameter in children admitted in pediatric ward and PICU for reasons other than raised intracranial pressure
4. Routine examination of newborn a survey of current clinical practice in the tertiary hospital of Bihar
5. Internet addiction in Undergraduate medical student at AIIMS Patna

Collaborative Projects

1. Evaluating the feasibility and effectiveness of universal neonatal screening for hearing loss and determining the role of referral by paramedical staff based on high risk & speech-language-auditory milestones evaluation questionnaire. With Dept of ENT
2. A Collaborative Protocol for Newly Diagnosed Indian Childhood Hodgkin Lymphoma patients (InPOG-HL-15-01) With Dept of Radiotherapy and Pediatric Surgery

Areas of interest:

Pediatric Intensive Care

Pediatric Neurodevelopment and Pediatric Neurology

***Clinic schedule:**

Days in OPD	Timing
Monday (General OPD)	10:00 am- 1:00 pm
Tuesday (Neurodevelopment Clinic)	2:00 pm – 5:00 pm (Only through appointment)
Wednesday (Ped Epilepsy Clinic)	2:00 pm – 5:00 pm (Only through appointment)
Friday (Follow-up Clinic)	2:00 pm – 5:00 pm (Only through appointment)
