- 10) Gautam V, Mukul S, **Kumari V** et al. New solution to an old problem: providing pre-hospital emergency care in Bihar under severe resource constraint. [Australasian Medical Journal](#). 2014; 7(2): 83-135.
- 11) **Singh V**, De Utpal. Laparoscopic Mesh versus Open Mesh Repair of Inguinal Hernia. An Experience from West Bengal, India. [The Internet Journal of Surgery](#). 2009 Volume 20 Number 1.
- 12) **Kumari V**, Biswas N et al. Is ligation of hernial sac during orchiopexy mandatory? [J Indian Assoc Pediatr Surg](#) / Apr-Jun 2009/ Vol 14/ Issue 2.
- 13) Das S, Ghosh D, **Singh V** et al. Heteropagus Twins—A Tale of Two Cases. [Indian J Surg](#) . 2011 Jun; 73(3): 217–220.
- 14) Kumar R, **Singh V**. Clostridial gas gangrene of uterus and undiagnosed advanced adenocarcinoma of colon. [Tropical Gastroenterology](#). July-September 2009 Volume 30 No.3(supplement).
- 15) De Utpal, Agarwal A, **V Singh**. Spontaneous knotting of Ryle’s tube in a postoperative patient. [Pak J Med Sci](#). July-September 2007; vol.23: 4.

### **Chapters in Books:**

1. **Singh V**, Neha N. A delicate acquaintance with nerve injuries for all - simplifies microsurgery outcome. *Advances in Plastic & Reconstructive Surgery*. AIIMS Patna;CME Book 3<sup>rd</sup> Edition 2017: 53-57.
2. **Singh V**, Agarwal M, Kumar S, Tiwari M, Saxena AK. Induced Pluripotent Stem cells and their impact on therapeutics in Chronic Wounds. *Advances in Plastic & Reconstructive Surgery*. AIIMS Patna; CME Book 3<sup>rd</sup> Edition 2017: 58-61.
3. **Singh V**. Sternal Dehiscence Reconstruction. *Updates in Cardio-Thoracic Surgery*. AIIMS Patna; CME Book 2<sup>nd</sup> Edition 2016: 8-12.
4. **Kumari V**. Emerging Trends in Endoscopic Plastic Surgery. *Progress in Minimal Invasive Surgery*. AIIMS Patna; CME Book 1<sup>st</sup> Edition 2015:72-73.
5. **Kumari V**. Initial management of burn patient before referral. *Updates in Surgery*. ASI (Bihar Chapter); CME Book 2015:78-81.

### **Presentations:**

- 1) Free paper on “Pre-operative scrutiny of late burned hand presentations: Crucial step in the improvement of results”. NABICON 2018, Guwahati.
- 2) Free paper on “Genetic Heterogeneity of TGF-beta in scar patients”. NABICON 2017, New Delhi.
- 3) E- paper on “Difficulties encountered in Camptodactyly”. APSICON 2016, New Delhi.
- 4) E-poster on “Giant Palmar Lipoma”. APSICON 2016, New Delhi.
- 5) Best paper session: “Camptodactyly: The unsolved area of Plastic Surgery” ISSHCON 2016, Ranchi.
- 6) Short paper on “Comparative study of open tension-free mesh hernioplasty vs TAPP”. ASICON 2009, Ludhiana.

- 7) Research paper on “Do we really need to ligate hernia sac during orchiopexy?” ASICON 2009, Ludhiana.
- 8) Best paper session: “Comparative study of open tension-free mesh hernioplasty vs TAPP”, West Bengal State Conference 2008, Siliguri, W.B.
- 9) Do we really need to ligate hernia sac during orchiopexy? Annual conference of Paediatric Surgery Association West Bengal 2007. **Won 2<sup>nd</sup> prize**, Kolkata.
- 10) Short paper session: “Sacrococcygeal Masses in Paediatric age: A case series”. ASICON 2006, BHU, Varanasi.

**Research: (At AIIMS Patna)**

**1. Ongoing:**

1. Psychological Evaluation of Patients in a Burn Reconstruction Clinic. 2018-21
2. Evaluation of therapeutic benefits of Platelet rich plasma (PRP) in chronic wounds. 2017-20
3. Role of TGF-Beta in scar patients (in collaboration with Dept of Pathology & Lab. Medicine). 2016-19

**2. Completed:**

1. Quick Medical Response Training (QMRT) (in collaboration with Dept of Disaster Management, Bihar Govt.). 2013-16

**Areas of interest:**

- Microsurgery
- Brachial plexus Injuries
- Reconstructive surgery in Leprosy
- Onco - reconstruction
- Cleft Lip, Palate & Craniofacial

**\*Clinic schedule:**

Days in OPD	Timing
Mon, Tue, Wed, Thurs, Fri	9 am – 5 pm
Sat	9 am – 2 pm

(For clinician only)
